- I. House local bill policy requires the following steps must occur before a committee or subcommittee of the House considers a local bill:**
- (1) The members of the local legislative delegation must certify that the purpose of the bill cannot be accomplished at the local level;
 - (2) The legislative delegation must hold a public hearing in the area affected for the purpose of considering the local bill issue(s);
 - (3) The bill must be approved by a majority of the legislative delegation, or a higher threshold if so required by the rules of the delegation, at the public hearing or at a subsequent delegation meeting; and
 - (4) An Economic Impact Statement for local bills must be prepared at the local level and filed with the Clerk of the House. Under House policy, a local bill will not be considered by a committee or subcommittee without an Economic Impact Statement.

- (1) Does the delegation certify the purpose of the bill cannot be accomplished by ordinance of a local governing body without the legal need for a referendum?

YES ☒

NO ☐

Brief Explanation as to why the purpose of the bill cannot be accomplished at the local level:

Article VIII was approved by the voters on November 5, 1968, and became effective on that date, section 6(d) applied only to local laws in effect on November 5. Chapter 70-876, Laws of Florida, is a local law pertaining to all of Pasco County and was adopted in 1970, after the adoption of article VIII, s. 6(d). Thus, it would appear that repealing ch. 70-876, L.O.F., would require another local bill.
